

Always has a place.

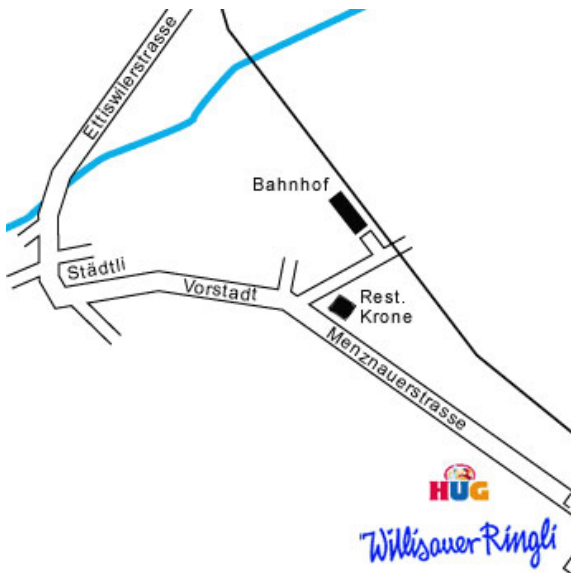

How to find us in Willisau.

By car

Coming from Basle, Bern or Zurich, take the motorway in the direction of Lucerne and take the Dagmersellen exit. Via Schötz you come to Willisau. On entering the town there is a roundabout, take the «Städtli» exit. This road takes you past the town gate in the direction of Menznau, after approximately 500 m you will see the round Willisauer «Ringli» windows of our factory outlet on your right – welcome to HUG. We look forward to your visit.

Coming from central Switzerland, it is easiest to drive via Wolhusen. On entering the town, turn left in the direction of «Städtli» and after approximately 200 m you will see the round Willisauer «Ringli» windows of our factory outlet on your left. If you come from this direction we also welcome you and look forward to your visit.

By train

Leave the station via the subway. Turn left in front of the station building and follow the railway line to the overhead passage (Landi building). There you turn right and continue to the Krone Restaurant and then turn left into the old Kantonstrasse in the direction of Menznau. After approximately 200 m you will see the round Willisauer «Ringli» windows of our factory outlet on your right – welcome to HUG. We look forward to your visit.

HUG AG
